The Midwest Relationship Center is seeking psychotherapists to work with individuals and families at the Swansea, IL office. Candidates must be Licensed Clinical Social Workers, Licensed Clinical Professional Counselors, or Licensed Psychologists.

Selected providers would be independent contractors responsible for providing counseling, maintaining client records, and professional liability insurance coverage. The Center is responsible for or will assist with insurance credentialing, billing, managing referrals, initial appointments, marketing, and providing furnished office space. This is a great opportunity for counselors who are looking to work a few extra hours or for providers who want to grow into a full time practice.

The providers will:

- be licensed in Illinois LCSW, LCPC or Licensed Psychologist
- be a self-starter and willing to maintain proper records
- have experience working with children and teenagers
- maintain professional liability insurance
- be able to work independently with little supervision
- be culturally competent and able to work with diverse populations

The Midwest Relationship Center will provide:

- ✓ Referrals
- ✓ Scheduling of new clients
- ✓ 3<sup>rd</sup> party billing
- ✓ Furnished office space
- ✓ Internet web page
- ✓ Brochures and marketing materials
- ✓ Telephone answering service with a live person
- ✓ CEU opportunities

The Midwest Relationship Center is the areas newest center for psychotherapy and counseling services. The mission of the Center is to provide high quality psychotherapy and counseling services to families, couples, children, and adolescents.

Dr. Tony Victor, LCPC, is the founder and director of the Center. He has been in private practice for over 20 years. In 2010 Dr. Victor transitioned his private practice to the Belleville/Swansea area where it quickly grew into a full time practice. Now Dr. Victor is expanding his private practice to a group practice.
